

Strategy map

Vision: Sightsavers' vision is of a world where no one is blind from avoidable causes and where people with visual impairments and other disabilities participate equally in society.

Mission: We are an international organisation working with partners in low-and middle-income countries to eliminate avoidable blindness and promote equal opportunities for people with disabilities.

Purpose

Governments in countries where we operate ensure everyone has access to quality eye health services, and people with disabilities are fully included in all aspects of life.

Impact

What must we achieve for our beneficiaries?

1

Demonstrate scalable cost-effective approaches to eye health which strengthen health systems

2

Strengthen the capacity of education systems to provide sustainable inclusive education of good quality for children with disabilities

3

Demonstrate effective approaches that impact positively on the inclusion and empowerment of people with disabilities

4

Deliver integrated neglected tropical disease programmes in support of agreed global targets

Capacities

What do we need to excel at to deliver for our beneficiaries?

5

Develop effective programme implementation partnerships

6

Ensure high-quality programmes

7

Effective influencing that delivers equitable public policy

8

Build strong strategic alliances

Learning and growth

Where do we need to invest in order to excel?

9

Develop organisational capabilities

10

Establish adequate specialist/technical expertise

11

Generate and disseminate sound research and evidence

12

Establish effective information sharing systems

Resources

How do we ensure we are resourced adequately?

13

Grow our income

14

Use resources strategically and efficiently
